Britain's best shopping deal

This catalogue is your key to a revolutionary new way of saving

Here's why

The Argos shopping system combines all these advantages:

1. A catalogue that makes it easy for your family to choose the best buys in the quiet of your own home.
2. Attractive, efficient, easy-to-reach Showrooms, where you can buy the items. Showroom addresses are listed on the back cover.
3. A wide, exciting range with thousands of savings.
4. The reliability of branded products from famous household names you trust.
5. A money-back guarantee of satisfaction.

But above all...

6. Permanent savings on every single item. All year round Argos offers genuine savings off the prices you would normally expect to pay in conventional shops.

Dramatic savings

Argos low low prices come from a completely new shopping idea.

1. Our system uses less shop space. So we save on rent and rates for example.
2. Computerised warehousing cuts costs again.
3. Lower prices mean we sell more. So we gain from bulk purchasing.

All this adds up to a better deal for the customer.

 It means big savings for you.

No hidden extras

Argos prices already include VAT so there's no extra "hidden" cost to pay. But remember that while every possible effort will be made to maintain these low prices for our current trading period, we must reserve the right to make adjustments in the event of VAT changes or for any other reason beyond our control – so please, check the Master Catalogue in your Argos Showroom. As soon as possible after a major VAT change a leaflet showing the new prices will be available from the Showroom.

It's easy to save money the Argos way

Once you've chosen your bargains from this catalogue, make your purchase at your local Argos Showroom. Many items from the catalogue are on display – and each Showroom has a large stockroom attached. Assistants are there to

serve you and help if required. In the Showroom you complete an easy selection form for the items you want. Just fill in the catalogue number and the quantity required as shown in the example. If you would like details of future Catalogues please fill in your name and address on the form as well. An assistant will then check your selection form

Prices

The Argos prices shown here are, where possible, compared with Recommended Retail Prices. Where no such prices exist, our suppliers have suggested Comparative Retail Prices. These are

used to show the genuine savings we offer. Every item in this catalogue is as described by the manufacturer or supplier, although all sizes and capacities are approximate. It is Argos policy to offer the most up-to-date merchandise—so descriptions are subject to change if a manufacturer alters a specification after this catalogue is printed.

This catalogue, published August 1976 supersedes all previous Argos catalogues and remains in effect until further notice. Prices stated in this catalogue were established during June, 1976. The information contained in this catalogue is compiled with all possible care, but the Publishers do not hold themselves responsible for errors or omissions.

Wedding List Service

This is a new Argos service to prevent the disappointment of receiving unwanted or duplicated wedding gifts. If you are about to be married, you can compile a list of the items you want from this catalogue. We will hold the list at the Argos Showroom. Your guests can visit the Showroom and buy their gifts from the list. Each item chosen is then removed so that no two guests buy the same gift. There is no charge for this wedding list service and the Showroom Manager will be pleased to discuss details with you.

The *Elizabeth Duke* collection offers you more jewellery for your money

JEWELLERY BY
Elizabeth Duke
OF BOND STREET

**Value's Certificate. Guarantee.
Free Insurance. Ring Sizing Service.**

The lifetime skills of experts ensure the value of the jewellery you buy at Argos. With each engagement ring or eternity ring you have the extra security of a Value's Certificate. But whatever you buy you also have the reassurance of the Argos Guarantee (see details of our full money-back guarantee on page 3).

With each engagement ring or eternity ring up to £1000 in value, we also give one year's free insurance.

Argos offers a 5 to 7 day ring sizing service for your convenience.

Mr Brian Selwood, a Fellow of the Gemmological Association of Great Britain, has been responsible for the selection of our prestige range of elegant jewellery by Elizabeth Duke.

Mr Selwood writes:

There are many reasons why you get better jewellery for your money at Argos. Firstly, we have cut out the middleman—we buy direct. Secondly, we buy ahead to avoid the increases caused by the ever-rising costs of gold, silver and precious stones. Thirdly, apart from jewellery, Argos sells a wide range of products, so our huge turnover enables our Jewellery Division to operate without the jeweller's traditionally high profit margin.
